Subject: Division Directive to Provide Annual Report or Submit MR-SITE Closure Form, TCM Bertha LLC, Carter Tunnel Mine, S/045/0092, Tooele County, Utah

Dear Mr. Crowther:

The Division of Oil, Gas and Mining (Division) has not received your annual report for 2015. The Division has also not received a reclamation surety. Your last annual report was filed in January of 2015 for 2014. The Division would like to know if you would like to continue with the permitting process or submit a request that the Division close the file.

**No later than June 3, 2016, you are hereby directed to:**

- Send a request to continue with permitting process, or
- Submit an MR-SITE form (available on the Division's web site at [ogm.utah.gov](http://ogm.utah.gov)) for closure of the Carter Tunnel Mine

If you fail to provide the annual report and reclamation surety as directed, the Division will close the file.

Please contact Leslie Heppler at (801) 538-5257, or me at 801-538-5261 if you have questions or concerns regarding this letter. Thank you for your cooperation

Sincerely,

Paul B. Baker  
Minerals Program Manager
